A. REISSUANCE AND PURPOSE

This Directive reissues reference (a) to update policy and responsibilities for the security and policy review and clearance of official DoD information proposed for official public release by the Department of Defense and its employees under reference(b).

B. APPLICABILITY AND SCOPE

1. This Directive applies to:

a. The Office of the Secretary of Defense (OSD), the Military Departments, the Chairman of the Joint Chiefs of Staff, the Unified Combatant Commands, the Defense Agencies, and the DoD Field Activities (hereafter referred to collectively as "the DoD Components").

b. All DoD employees.

2. For provisions governing review of:

a. Prepared statements, transcripts of testimony, and other material provided to congressional committees that may be included in the published records, reference (c) applies.

b. Information before publication or disclosure by DoD contractors, DoD Directive 5220.22 and DoD 5220.22-M (references (d) and (e)) apply.

c. Release of official information in litigation, DoD Directive 5405.2 (reference (f)) applies.

C. DEFINITIONS

Terms used in this Directive are defined in enclosure 2.

D. POLICY

It is DoD policy that:

1. Accurate and timely information is made available to the public, the Congress, and the news media to help the analysis and understanding of defense strategy and national security issues.

2. Any official DoD information intended for public release that pertains to military matters, national security issues, or subjects of significant concern to the Department of Defense shall be reviewed for clearance by appropriate security review and public affairs offices prior to release.

3. The public release of official DoD information is limited only as necessary to safeguard information requiring protection in the interest of national security or other legitimate governmental interest, as authorized by references (g) through (t).

4. Information released officially is consistent with established national and DoD policies and programs.

5. The Inspector General of the Department of Defense, as an independent and objective office in the Department of Defense, is exempt from the policy review provisions of this Directive. As necessary, information may be submitted for security review prior to public release.

6. To ensure a climate of academic freedom and to encourage intellectual expression, students (including midshipmen and cadets) and faculty members (DoD civilian or military) of an academy, college, university or DoD school are not required to submit for review papers or materials that are prepared in response to academic requirements and not intended for release outside the academic institution. Information that is intended for public release or made available in libraries to which the public has access shall be submitted for review. Clearance shall be granted if classified information is not disclosed, the DoD interests in nonclassified areas are not jeopardized, and the author accurately portrays official policy, even if the author takes issue with that policy.

7. Retired personnel, former DoD employees, and nonactive duty members of the Reserve components may use the review services to ensure that the information intended for public release does not compromise national security.

8. DoD personnel, while acting in a private capacity and not in connection with their official duties, have the right to prepare information for public release through non-DoD forums or media. Such activity is authorized if:

- a. No laws or regulations are violated.
- b. Ethical standards and compliance with DoD Directive 5500.7 and DoD 5500.7-R (references (q) and (r)) are maintained.
- c. The preparation activities are not done during normal duty hours or with the use of DoD facilities, property, or personnel except as authorized by references (q) and (r).
- d. The author does not use official DoD information generally not available to the public and which would not be released under DoD 5400.7-R (reference (m)).

E. RESPONSIBILITIES

1. The Assistant Secretary of Defense for Public Affairs shall:
 - a. Monitor compliance with this Directive.
 - b. Develop procedures and review guidelines for the security and policy review of information intended for public release in coordination with offices of OSD Principal Staff Assistants.
2. The Heads of the DoD Components shall:
 - a. Provide prompt guidance and assistance to the Assistant Secretary of Defense for Public Affairs (ASD(PA)), when requested, for the security or policy implications of information proposed for public release.
 - b. Establish policies and procedures to implement this Directive in their Components.
 - c. Forward official DoD information proposed for public release that is determined to require clearance by the Office of the Assistant Secretary of Defense (Public Affairs) to the ASD(PA) for review, including recommendation on the releasability of the information being forwarded.
